# Potential of TED Ed

We gather to share our passions and our ideas worth spreading while encouraging one another.

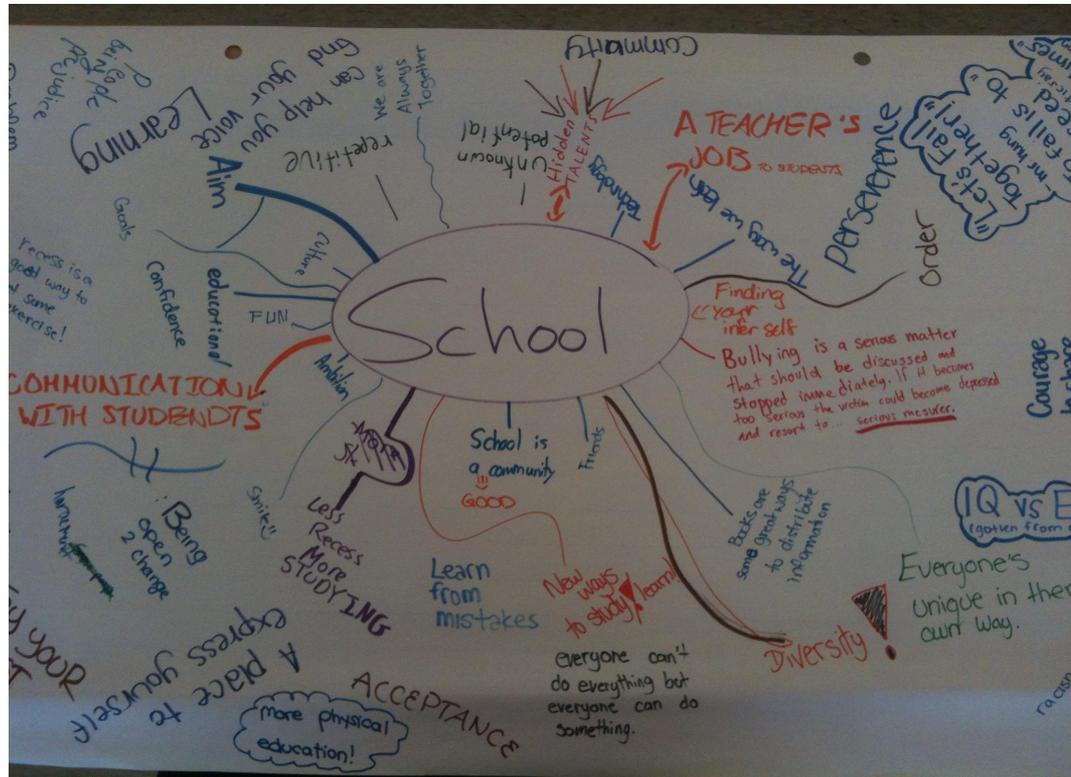

# Purpose of TED Ed

We gather to provide a safe place for students of all ages to share through a global network of idea hatchers, thinkers and dreamers.

Picture the collective potential of  
**2,** , ,  **+**  
young people...

# Power of TED Ed

Imagine a place to change the way voices are heard and actions affected?

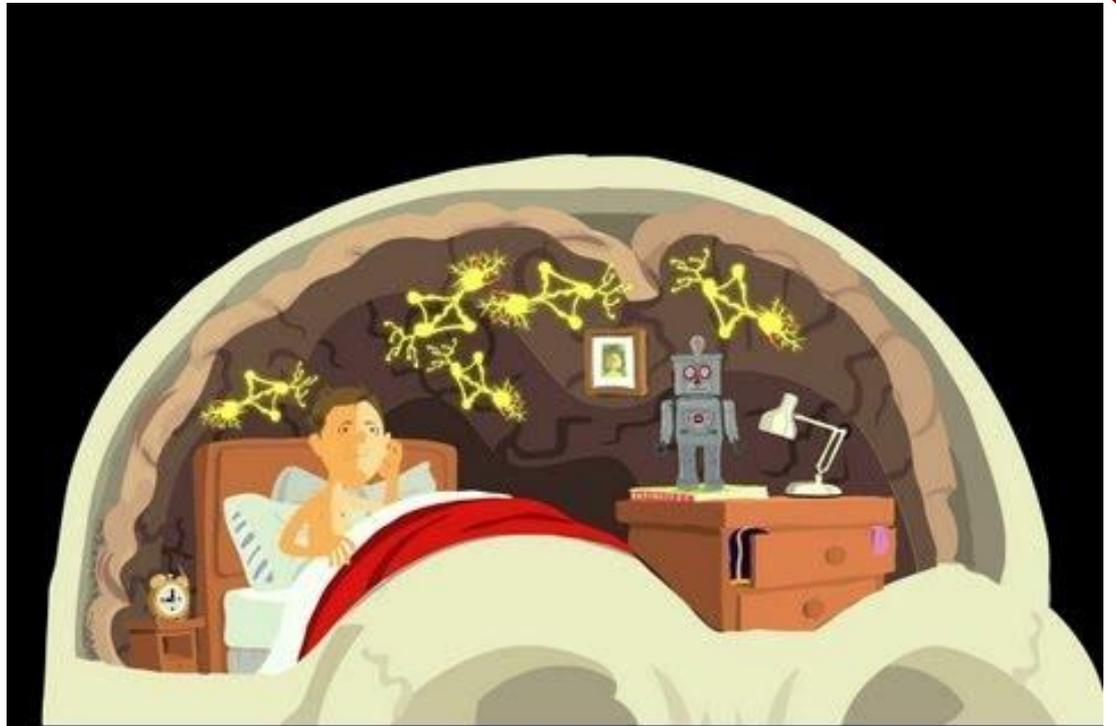

# Possibilities in the classroom

With the global resources of [TED.com](https://www.ted.com) and [ed.ted.com](https://ed.ted.com) at your fingertips you are never more than a few clicks away from awesome in your class. Let's take a moment to search for a lesson based on a subject area of your suggestion.

## More Possibilities...Qs without answers

We gather to develop and value ideas from the moments they're sparked with support, peer to peer mentoring, and opportunities to be heard.
